

ONLY POSITIVE!

Weekend of February 25th & 26th

This weekend many junior leagues are adopting the FA's 'Silent Weekend', all about creating a positive atmosphere for young players (and refs). But we'd like your support for a Herefordshire variation on the FA theme. Instead of silencing spectators we would instead like to focus on your 100% encouragement which we know players love. So 'yes' to cheering a goal, a great shot, a skilful pass, a tip over the bar or the ref playing a good advantage. But a definite 'no' to telling the ref what you think or trying to make your voice heard over the coaches.

You may well do this already in which case show the lead. But join us in a weekend of ONLY POSITIVE. You never know, it may just catch on!
